## Notice of Existing and Continued Noise Levels

Date:

Dear Resident:

You have been qualified to receive assistance from Name of Jurisdiction through funding from the State of Utah CDBG program. Under Federal Requirements, an environmental review has been conducted on the property located at \_\_\_\_\_. Through this review it has been determined that this property is located in an area where noise levels may reach decibel levels of 65 dB or more due to the proximity of identify the particular noise concern.

Please sign this form below to acknowledge that you have been made aware of this situation and that you realize that Federal funds will be expended to implement project improvements. By signing below, you further acknowledge that the project will proceed as planned and that noise levels will not necessarily be affected as a result of the completed improvements.

Name of Owner/Occupant: \_\_\_\_\_

Address \_\_\_\_\_

City, State, Zip: \_\_\_\_\_

I, the above named resident at \_\_\_\_\_ have read and understand this notice.
